Re: Pandemic Policy

## NOTICE TO ALL CUSTOMERS:

The World Health Organization (WHO) has brought attention to a recent virus known as H1N1 or "Swine Flu". This flu has become widespread and thus has become a "global pandemic".

Little Guys would like to ensure all of our customers that during all phases of any pandemic, just as we have done in the past, will continue to operate at full capacity to the best of our ability.

If for any reason we are no longer able to operate and must shut down operations we will post an update notification on our website: [www.LittleGuysDelivery.com](http://www.LittleGuysDelivery.com)

Little Guys would like to thank you for your continued support and business during this time.

Sincerely,

Oozie Frig
